

TOP 10 REASONS TO HOST WITH DISCOUNTASP.NET

While there are certainly hundreds of good reasons to host your web site at DiscountASP.NET, we gave our renowned team of statisticians, scientists and philosophers the nearly impossible task of whittling it down to the ten that could be considered the most essential and compelling. After weeks of contentious and often violent debate, they were finally able to reach a consensus.

Here then, are the TOP TEN reasons why DiscountASP.NET is the world's foremost hosting solution:

1. Focused on hosting solutions for the .NET developer community

2. Entering our 10th year as a recognized ASP.NET hosting leader with Microsoft Gold Hosting Competency and Visual Studio Industry Partner Program participation

3. Voted BEST ASP.NET hosting by asp.netPRO/DevProConnections Magazine for the past 7 years running!

4. Committed to cutting-edge ASP.NET hosting and innovation

5. Local, hands-on infrastructure developed from the ground up and maintained by ASP.NET hosting experts

6. Thousands of positive customer testimonials (800+ available to read on our site)

7. Active and engaged community forum used by developers of all skill levels

8. All services hosted on state-of-the-art, fully supported DELL Poweredge servers

9. 30 day money back guarantee (you won't need it!)

10. All support, administration and management are in-house and local - absolutely no outsourcing
